#### OVERVIEW

The 13<sup>th</sup> edition of this conference series, organized by Goethe University Frankfurt, will bring together researchers interested in the following subjects:

- International Migration and Local Development.
- Demography.
- Integration, Trade and Capital Flows.
- Income Distribution and Inequality.
- Natural Resource Management and Sustainable Development.
- Economic Growth and the Impact of Shocks.
- International Production Networks.
- Transport and Logistics in International Trade.
- Education.
- Monetary Economics.
- Other Development-related Topics.
- Comparative Research related to EU and Mercosur and others.

Previous Seminars (cf. the history at <http://www.isces.net>) have attracted speakers from different countries. We welcome academics, policy-makers, and – in particular – young researchers.
